A. Student Disciplinary Hearing

B. 2016-2017 School Calendar

Changes since last meeting: March/April breaks – ensuring dual enrolled students were able to utilize breaks. Days will remain at 203 days. Have given back some holidays to ensure we stay closer to the 204 days.

Changes in Intersession: Intersession would be before finals for instructional support before finals.

Laura Van Wormer – having intersession in mid-term instead of end of term. Striving towards proficiency through the term instead of at the end. Would be very beneficial for both staff and students.

Term 1: October 3-7

Term 2: March 20-24 (before parent/teacher conferences)

Term 3: June 19-23

Reaction from faculty- they are very supportive.

Recommendation – move dates to mid-term to ensure proficiency.

TABLED – Approve next meeting

C. 9th Grade Cap Review

Approved 9th Grade Cap 2016-2017 -75

Matriculation agreement in the works for Paragon Charter Academy. Would like to extend opportunity.

Staffing - \$200,000+ coming in from students. Addition of 3 Early College staff.

Looking at hiring those that are dual certified that spans from 6th-13th grades.

Clarification: Taking in over 100 applicants – a waiting list would be created. Lotteries can only happen during open enrollment.

Dual enrollment cost could increase substantially. Students coming in are completing 8th grade, meaning they need to complete 1st year course work before dual enrollment.

Recommendation: open 9th grade cap to 100 students

Motion to approve 9th grade cap to 100 – Rando, Second – Wilcox, Support – Williams, Approved.

Administrative Assistant to Executive Assistant.

C. NWEA Assessment Update

Being intentional with what these numbers mean in the student's eyes.

No more science in NWEA – it does not align with next generation science standards, at the EC level it doesn't take into account specialized science courses.

Replacing that test – pulling ACT questions or SAT questions and creating our own testing.
