According to MCL388.1623g(13), the purpose of MI Kids Back on Track is to support programs designed to:

- Address unfinished learning.
- Get students to grade-level academic standards.
- Provide additional academic standards.
- Provide additional academic assistance to students at risk of falling behind their peers.
- Help high school students prepare for postsecondary education.

**Program Purpose:** to help students meet grade-level academic and credit expectations

**Program Summary:** To that end, Jackson Preparatory & Early College will commit all State allocated 23g funds with the intention of mitigating the effects of learning loss through a high-quality summer school program, utilizing highly qualified instructors assisting students meeting competency-based standards and targeting students who are within reach of achieving grade level expectations

**Program Budget:** The program budget will be established once the per-student funding levels are determined by the Michigan Department of Education.

**Program Access:** Students will receive services based on demonstrated academic need. The district will invite all student families who qualify for summer-based programming. If you believe you would benefit from academic support, please contact JPEC Principal Debra Gibson.

**Program Assessment:** Program goals will be measured and posted via the district website, as well as tracked within the district's Continuous Improvement Plan.

**Reporting Requirements:** Jackson Preparatory & Early College will comply with all state and federal reporting requirements.
