In accordance with the requirements of Federal law, programs supported by Title I funds must be planned and implemented in meaningful consultation with parents and family members of the students being served.

Each year the School Leader shall work with parents and family members of children served in Title I Programs in order to jointly develop and agree upon a proposed written parent and family engagement policy to establish expectations for the involvement of such parents and family members in the education of their children. The proposed policy shall be reviewed and approved annually by the Board of Directors and distributed to parents and family members of children receiving Title I services. The proposed policy must establish the Academy's expectation and objectives for meaningful parent and family engagement, and describe how the Academy will:

- B. provide coordination, technical assistance, and other support necessary to assist and build the capacity of all participating academies in planning and implementing effective parent involvement activities to improve student achievement and academy performance, which may include meaningful consultation with employers, business leaders, and philanthropic organizations, or individuals with expertise in effectively engaging parents and family members in education;

 2. revise the parent and family engagement policy, if necessary;
- F. involve parents in the activities of the Academy's Title I, which may include establishing a parent advisory board that may be charged with developing, revising and reviewing the parent and family engagement policy;
